Buffett on Duval - MOM Street Fest

Parrot Heads attending the 20th Annual Meeting of the Minds “Don’t Stop The Carnival” were surprised Friday afternoon when Jimmy Buffett made a rare appearance with his Coral Reefer Band. He played for more than an hour. Many of his 15 songs featured lyrics recalling people and places he knew while living in Key West during the 1970s and 80s.

I received this from Kokomo Joe, President Elect of the SWFL PHC and I thought it was worth passing along.

What are other PHC's Doin' ?

Lake Michigan Land Sharks

I would like to share the latest adventure from the Lake Michigan Land Sharks, based in Stevensville, Michigan. On Saturday November 26th we held a Toys for Tots Drive at our host bar-The Five O'clock. Included in the evenings festivities were silent auctions (including some great items donated from our local beer reps) live music and collecting toys. We then presented our donations to our local TV newscasters December 4th's Live Toys for Tots Drive. Our committee chairmen-Troy Main and Mike Wittlieff presented them a check for \$600, over 40 assorted toys and games and 40 bikes that Troy and his co-workers assembled for us. Everyone had a great time for a great cause (even if we did have to get up at 6 am on a Saturday morning to appear on TV)

The Milwaukee Area Parrotheads (MAPA)

On Saturday we had a fine showing of 150 guests for Jim Hoehn and the Boat Drunks rocking the beautiful Olympia Resort, all while cheering our Badgers into the Rose Bowl. Those guests brought over 190 new toys for our Toys for Tots charity. There were three young Fox Company Marines who looked sharp in their 'dress blues' as they posed for photos before loading all the toys into their sleigh. They estimated the retail value at \$6,000 - \$7,000. Wow! That will certainly put some smiles on many needy SE Wisconsin kids faces this Christmas! In addition, we had a successful silent auction thanks to the efforts by many tireless members. The auction was bolstered by some fantastic artwork of our World Champion Green Bay Packers and Division Champ Brewers, with the overall auction bringing in another \$3,500.

Ozark Mountain Parrot Heads

On December 1st, the Ozark Mountain Parrot Heads collected 107 toys, games & puzzles for the CENTS OF PRIDE program for Bowerman Elementary School. This Title One School presently has 90% of their students enrolled in their free lunch program. The CENTS OF PRIDE program is set up to reward points to students that exhibit any "positive behavior". These points can then be redeemed for items donated to the CENTS OF PRIDE store at the school. This program also asks for household or clothing items to be donated. We were very HAPPY to provide Christmas gifts that the kids can pick out for themselves or brothers & sisters. Positively a GREAT SUCCESS for our Club and a well deserving charity event.

Panama City Parrot Head Club

Dec 3rd was a mild ...beautiful Florida Day...and Our crazy bunch of Parrotheads put together a smaller PHloat than our big Mardi Gras one and made the Newspaper with our efforts for the Jaycees.....Several of our members manned a Blanket Brigade along with one "Green Parrothead=== Racing Reindeer" with a mega-phone and collected over \$1,100.00 from the crowd as we passed down Main Street for the jaycees for their chairities. 4th year in a row for us collecting PHunds and we broke our own RECORD this year.

Corn Republic Parrot Head Club

Yesterday 20 Corn Republic members in Lincoln Nebraska delivered 150 poinsettias to home bound families. It was very rewarding to spend a little time with all the families and to wish them a Happy Holiday. We also have groups ringing bells for the Salvation Army in 2 spots at the local mall from 6-8 pm everyday this week. We hope you all have a very Happy Holiday season!

Happy Holidays To All Our Members!

It's been a fun-filled year and we've proven once again that "WE MAY BE SMALL BUT WE'RE MIGHTY"!

Our little club has taken on some very big challenges this year with our four day "RW&T Extravaganza", we've donated thousands of dollars and thousands of man-hours to our favorite charities and to those in our communities less fortunate than ourselves. We've had the privilege of listening up-close and personal to some great singer/songwriters at house concerts hosted by Amazin' Grace, Cheryl Scanlan & Norm Kayser, taken a few trips to the "End of the Road", danced in the streets and made lots of new friends.

Our club is growing and with our expanded Board of Directors we are looking forward to continued growth, new activities, new ways to be help our community and more fun for all of us! Get involved! Join a committee! Better yet ... Chair a committee! Share your ideas and talents! Help make a difference! It's "YOUR" club! Thank you all for a Great Year!
